

FUTURE MEETS

Glencoe Meet

16-21 February 2018

There is still one place on the 2 day training course being led by Chris Harling, but you don't have to be on the course to join the meet. Claire and I will be there the whole time to provide assistance and advice. At the time of writing there was still limited space in the Youth Hostel but there are lots of alternative places to stay in the area. Please note Glencoe Youth Hostel does not provide meals.
