### **Chamois Ski Meet 2019**

Having just returned from the 2018 Chamois skiing meet, at St Anton, Austria (enjoyed by us all despite a couple of days of bad weather/conditions & too much snow!) it's time almost immediately to start making plans for a 2019 meet. Those of us at this year's meet had the usual session discussing, debating, & hopefully all agreeing the preferred where & when for this, the conclusion being that we hope to go to Morzine (part of the Avoriaz ski area) where we have been previously in 2004 & 2010, probably for the week commencing 19<sup>th</sup> Jan.

The number of members wishing to go on the meet could well be about 20 or so, & we will wish to get chalet accommodation suitable for the whole group, so we need to get our booking in with the tour operator very early, probably within the next month. Hence prospective participants will need to be able to commit very early.

Very soon I will be setting up a list of email addresses of likely participants so that we can discuss progress. If you think you could be interested in joining this meet in 2019 and would like to be included in this list, please contact me at [nick.jeffery@chamois.org.uk](mailto:nick.jeffery@chamois.org.uk).
