Chamois Ski Meet 2019

We have now made a booking for next year's ski meet; this will be based in a catered chalet in Morzine (part of the Avoriaz/Portes du Soleil group of resorts) for the week of 20-27 Jan 2019. !6 of us are booked into the chalet, and a further 3 members are planning to attend the meet but staying independently in the same area.

If anyone else is interested in joining this meet it might be possible to extend our booking within the chalet, or failing this there is a lot of alternative accommodation available in Morzine. For more information please contact me at nick.jeffery@chamois.org.uk.
