The Centre provides bedding, but not towels. We held our AGM here in 2010.

Besides the formal part of the AGM on Saturday, this is a weekend to meet new and old friends and to socialise. There will be two walks on Saturday, the longer one lead by James Scott and for the shorter one, a volunteer is required, and on Sunday Andrew Jackman will lead a walk to suit all abilities. Full details of walks will be in the next Newsletter.

The formal part of the evening will start with tea and scones, followed by the AGM, then a buffet. The buffet will be communal bring a contribution to share with everyone. Following forward to meeting everyone.

This is the walk James will lead before the AGM:

Start time 9.30am

Place St Michael's environment and education centre

Route From Hathersage follow paths to Dennis Knoll and then round onto Stanage Edge. Follow the edge to Upper Burbage Bridge. Then taking the path to Toad's Mouth via Higger Tor. Then down Padley Gorge to Grindleford station. Then taking the footpaths following the river back to Hathersage.

Distance 10.7 miles

Thanks
James
