Maps	OL1 Dark Peak

The Centre provides bedding, but not towels. We held our AGM here in 2010.

Besides the formal part of the AGM on Saturday, this is a weekend to meet new and old friends and to socialise. There will be two walks on Saturday, the longer one lead by James Scott and for the shorter one, a volunteer is required, and on Sunday Andrew Jackman will lead a walk to suit all abilities. Full details of walks will be in the next Newsletter.

The formal part of the evening will start with tea and scones, followed by the AGM, then a buffet. The buffet will be communal bring a contribution to share with everyone. Following forward to meeting everyone.
